1,000 GAMES WITH HILLS

D. Moore, K. Marnham, F. Keep, T. Ellefson and S. Evans have tallied over 1,000 games between them for the Hills Football Club. All have played in carnival football and they have seen the club through five premierships.

Phil Woolhead increased his tally of trophies to four last week, when he was awarded the Hills fairest and best award and the trophy for the most consistent player in his team.

Brilliant Ken Marnham was runner-up to the fairest and best and won trophies for the best utility player and the best club man. K. Haunold was the best position player and C. Moore the most improved.

In the seconds, Ted Greengrass was the fairest and best also tying with K. Willmott and K. Swetman for the most consistent award. Runner-up to the fairest and best was G. Glass with R. Catchpole the best utility player, E. Watts the best position player and H. Harp most improved.

Hills are hoping to be able to remove their temporary dressing sheds during the summer to make way for something better. "So remember, Hills, there is work to be done."

The club wishes an equal share of luck to both Cannington and Armadale in the matches today.

The wind-up presentation ball is to be held on October 21, at Banksiadale. Make it a date.

DISAPPOINTMENT TO SECONDS

HAWKS' REPORT

Our condolences to the seconds in their one point defeat by Kenwick. A disappointing result after a good season, but never mind, boys, the club was very pleased to see the team get to the finals. What price a new pair of shorts, "Matts"?

Our congratulations to Don and Gloria Ibbs on the birth of their son, Brett. Also to Mr. and Mrs. P. Garrett (Jnr.) on the arrival of a daughter, league president, Percy Garrett's first grand-daughter!

Best wishes for the future are extended to Mr. and Mrs. L. Krinks, who were married on September 16. Lindsay and Willy will make their home in Armadale, but we hope their interests will remain with Gosnells!

The club wind-up will be held on October 6, in the Church of England Hall, Gosnells. Only members and invited guests will be admitted on presentation of their invitation.

The Hawks would like to congratulate Phil Woolhead on his success during the season and to our own players who polled votes.

The club would like to thank all those willing workers who helped to make the afternoon run smoothly at the final last Sunday. The following ladies were a great help to the ladies' committee: Mrs. Tim Passmore, Mrs. L. Riekie, Mrs. M. Dominish, Mrs. H. Rayment, Mrs. R. Kieley, Mrs. P. Markham, Miss N. Green and Miss J. Yelverton. To be commended on the men's side are: J. Drake-Brockman, R. Uttenbroek, B. Woodward, E. Martin, K. Cox, B. Devine and K. Murray.

CANNING EXERCISES OVER SANDHILLS

In preparation for the final round games, both Canning coaches gave their players plenty of exercise over the sandhills at Floreat beach.

After a couple of minor accidents and breakdowns on their way home from Pinjarra, which dampened the spirits of a good double victory in the second semi-finals, the club committee has decided to hire a bus for the grand finals today.

This bus will leave Pinjarra soon after the game and head for Coker Park club rooms, where celebrations are planned—win, lose or draw.

After a season of true club spirit on and off the field, may the boys cap it off with "a double".

Clarrie Clement, our new club secretary, has everything well in hand for the annual club dinner and presentation of trophies on October 6 and it should be a great night.

As the season draws to a close, our hearty thanks must go to all players, committeemen and supporters who helped make this year very successful.

To Charlie McAuliffe (time-keeper), Ron Reid (gate-keeper), Harry Turner (goal umpire), Andy Hocking (boundary), Harry Warner (assistant secretary), "Digger" Noble (selector), Stan Smith (social secretary), Judy Kelly (weekly fund raising), Mrs. Lila Watson, Mrs. Joan McAuliffe (washing and repairing jumpers), Helen Worth (assistant treasurer), we are grateful for individual jobs.

Special mention must be made of the ladies' committee and

CONGRATULATIONS FOR ARMADALE

Canning congratulates Armadale on winning the final last Sunday and as the teams are level at one win each this season, today's grand final should be a fitting climax to a great season for the new league.

Incidentally, match records show:

Armadale beat Canning, difference 6 points; Canning beat Armadale, 10 points; Canning beat Mandurah, 56 points; Armadale beat Mandurah, 53 points—close enough to excite the enthusiasm of all supporters!

BAKER MEDAL FOR TODAY

The Charles Baker medal for the fairest and best player on the ground in the league grand final between Canning and Armadale will be presented after the match today.

PINJARRA NOTES

The under-17's are again to do battle with the Canning juniors before the seconds game today. If half as thrilling as their tussle a fortnight ago, it will provide a great opening to a great day of football.

The club congratulates the teams playing in today's grand finals.

We have only one more social function for the season. Our annual dinner (October 14) is to be followed by a cabaret dance. The orchestra is Ray Crawford's (an ex-Mandurah and South Fremantle footballer).

Supporters! Let's finish the season on a high note, by all making it a date.

Stan Burrows and Brian Nancarrow both met with car accidents last week, but we hope they are all fit and well again by now.

Our club would like to express appreciation to trophy donors and to Jack Baker and Mrs. Myra Kerbey for their generous donation towards the annual dinner.

An appreciation, also, to the editor of this budget, Mr. Frank Semmens, for a job well done. The club hopes that he has sufficient support next season to make it a regular part of our week-end reading.

CANNING THREE-POINT FAVOURITES

The winning margins against Mandurah in both the second semi-final and the preliminary final favour Cannington to win the grand final today by three points.

Canning defeated Mandurah in the second semi-final 16.11 (107) to 7.9 (51), a margin of 56 points, while last Sunday Armadale beat Mandurah 16.9 (105) to 6.16 (52), a margin of 53 points.

Mandurah started quickly on Sunday to lead until half time. With improved marking and ball handling, they played better football than they did against Canning.

KENWICK CLIP HAWKS' WINGS

By the narrowest of margins, Kenwick succeeded in clipping the wings of the Gosnells Hawks last Sunday and, as a result, have made serious claim to the 1961 seconds premiership.

Good teamwork and club effort have helped Kenwick to reach two grand final matches in their second football year.

Today they will play Canning in the seconds grand final and they have also reached the decisive match in the South Suburban thirds competition.

Club scouts are already taking stock of talent for the 1962 season.

The annual dinner will take place on Saturday, October 7 at 6 p.m. for members and invited guests only.

Tickets may be obtained to attend the cabaret ball afterwards, at 8 p.m., in the Cannington Agricultural Hall. Single ticket 15/-; double £1.

ARMADALE CELEBRATES

With excitement at almost fever pitch, Armadale enjoyed a great celebration at the Buffs' Hall, Armadale, last Sunday night. It is estimated that the barbecue was attended by 250 players and supporters.

At an interval during the occasion, presentations were made to successful players, including George Cyprian (Jack Gillam award) for outstanding play, Ray Green, who displayed brilliance in the roving position and kicked five goals.

RACCO TAKES WAROONA AWARD

The Waroona Football Club announced this week that D. Racco, who was runner-up to Phil Woolhead for the "Times" trophy, had won the Charlie Iseppi award for the club player of the year.

Congratulations to Phil on winning the "Times" and the "Sunday Times" trophies.

Danny Fitzpatrick, who won the Barry Thompson award for the seconds footballer of the year, has also won the Wesfarmers award for the local player of the year. Keep it up, Danny.

Other club awards will be announced at the club wind-up on Friday, October 6 (note the change of date).

September 23 will now be devoted to entertaining our guests, the West Perth thirds team, at the dance of the year (all welcome). The supper will be well worth the 5/- admission.

Football will start at 10.30 a.m., after which the West Perth boys will be the guests of Waroona at Pinjarra for the grand final.

SUPPORTER CAN'T MAKE IT

A letter to the editor of the Football Gazette this week, tells of a disappointed Maddington supporter (Mrs. H. J. Murphy), who won't be able to see the 1961 league grand final at Pinjarra. "I am limited to attending matches at Maddington, Gosnells and Kenwick," she writes, adding in brackets: "Getting old? Yes."

Mrs. Murphy is a foundation mother, worker and supporter of the Maddington Football Club. Sorry you won't be there.—Ed.

AWARD FOR MARKING

D. D. & H. O. Wills have donated 200 cigarettes to be awarded to the player who takes the "mark of the day" in the league grand final between Canning and Armadale.

Judging from the aerial performances of players from both teams during recent matches, the judges will have a very difficult decision.

KENWICK JUST MAKES IT

With one point the difference, Kenwick just managed to hold off a determined Gosnells to win the seconds final at Gosnells last Sunday—12.11 to 12.10.

Kenwick clinched the match by a definite air superiority in which Goudge, Haynes, Baker, Walker, Bradvich and Wallis played a major part.

A brilliant game by Fitzgerald at the centre half back position for Gosnells thwarted many attacks by Kenwick. But for his efforts, the winning margin must have been greater. Stalker, too, rucked strongly when the going was toughest and he turned in a great game.

Gosnells capitalised on Kenwick's play-the-man tactics early in the match and at half time the blue and golds had a clear lead of three goals.

Thereafter, the red and golds with air supremacy, slowly overhauled the smaller side.

"A MOMENTOUS SEASON," SAYS REG BLACKBURN

Writing from his hospital bed, league secretary-treasurer Reg Blackburn states:

"Today's grand final brings us to the end of a season which I can only describe as 'a most momentous one'.

"In this, our first year as an established league, we have seen the building up of clubs that were in the 'doldrums'. Their remarkable progress has lifted them from a position where they had been treated as 'chopping blocks' and a means of improving percentages in past seasons.

"However, I feel sure those days are past and in the future no club will be able to treat their opponents with a care-free attitude.

"We have seen an influx of many ex-league players into our competition and I cannot help but feel that the football knowledge and experience of these players, if used and passed on correctly to our juniors, must improve the standard of football in our league.

"I would like to extend my thanks to all club secretaries for the co-operation they have given me this year and I look forward to continued happy associations with them in the future.

"I particularly want to express my thanks to all club delegates for their untiring efforts and the work put into making the league the success it has been this season. I am sure very few people realise the time and work that these volunteers do to maintain the welfare and efficient working of the league.

"My congratulations and best wishes go to the teams taking part in today's games. I'm sure both matches will be hard fought and I trust they will be played in the true spirit of good sportsmanship. My regret is that I shall be unable to see these games.

"My thanks go to the assistant secretary-treasurer, Mr. Woodward, for so ably filling the breach and taking over for me at such short notice. Congratulations, Jim, on a job well done.

"My heartiest congratulations to our Editor, Mr. F. Semmens, on the production of our Football Gazette. I know the tremendous amount of work and effort he has put into this weekly publication. I'm sorry I was hospitalised at a time when he needed the assistance I had promised to give him. I hope next year all clubs will make every effort to help make this venture a resounding success.

"I feel a special mention should be made of the members of the Disputes Board: Messrs. J. Glennie, N. Marsh, J. O'Mara, W. Lunn and H. W. Atkinson for their tireless and unselfish efforts and for the time they have devoted to their duties during 1961.

"Finally, my personal thanks to those who have wished me well and for their kind enquiries. I look forward to renewing all associations with you in 1962.

MANDURAH NOTES

The counting of votes recently showed rover A. Renfrey the winner of the Mandurah club fairest and best trophy. Winger Ron Scott was awarded a trophy for the most consistent player and the captain of the team, B. Watkins, the best utility player.

In the seconds, the fairest and best was won by captain, Andy Jamieson. F. Putland was the most consistent player and N. Jewell the most improved.

All members are invited to a barbecue and social evening that is to be held after the grand final, commencing at 7 p.m.

The club wind-up ball has been changed from October 14 to October 21 to avoid a clash with the Pinjarra wind-up.

DEMONS HOPEFUL AFTER 53-POINT WIN

There was an air of optimism in the Armadale dressing rooms last Sunday, after the Demons had thrashed Mandurah by 53 points in the preliminary final at Gosnells.

An inspiring display by the "hero" of all Armadale supporters, Wilson Onions roused the team after half time and they never looked in danger of winning the game by less than six goals.

Onions was the inspiration, but R. Varian, M. Davies, R. Green and A. Stott were eager to follow and the team began to function with purpose. In the last half, it was all Armadale. Their marking, kicking and ball handling was equal to the display given by Canning the week before.

Butt, Kay, Watts and Watkins battled hard in a team that had far too many weak links when the pressure was on.

JUNIORS ROMP INTO GRAND FINAL

After losing to the strong Gosnells side in the second semi-final, the Kenwick under-17 team took the field against Armadale last weekend and romped home to win the right to challenge the Hawks in the grand final.

Kenwick won 9.11 to 4.2.

Kenwick notched an early goal when R. Evans took a free kick in front. Good ruck work from A. Mills and clever anticipation by centreman, P. Nilson, who moved a long way down field, saw him add two quick goals and put his side in a strong position.

Armadale played well in the first quarter, but solid defenders Hopkins, Davis and Clark and some fighting marks by full back Rowe made their scoring difficult.

An interesting duel between the winner of the association fairest and best, L. Kruize and the runner-up, P. Nilson, saw the Kenwick player win well. Kruize was shifted into the backline after half time, where he played strongly.

The half forward line of Bob Kay, M. Prosser and K. Wilson, enjoyed the large Gosnells ground where they could use their pace and drop kicking to advantage.

The coach (J. Oliver) thanks all the under-17 teams in the association for a good season and all supporters of the club. "Our aim is to improve the club, win or lose in the grand final."

THE HAWKS' REPORT

Congratulations to our members who have been successful in this year's voting for fairest and best players.

In our league side, Eric Martin was acclaimed winner, in the seconds team Kevin Cox. In the Under-17's Geo. Matchett was the winner. George is leading also in the most spectacular footballer of the club and is favourite to win Angelo Polini's Oscar.

MADDINGTON TROPHIES DECIDED

The club's fairest and best awards this year have been won by John Weaver (league) and Austin Langford (seconds).

Weaver, the club captain, failed to gain a vote in the "Sunday Times" medal, but has given his club great service during the season.

Langford finished third in the seconds voting by umpires.

Weaver, with 80 votes, defeated Les Thorn 77 and George Campbell 74.

Langford, with 110 votes, had an easy win from Kevin Kemp 77 and Kevin Griffiths 66.
